	This case is set for trial before the Honorable Jesus G. Bernal, Courtroom 1,				
27	United States District Co	ourt, 3470 Twelf	th Street, 2nd Floo	or, Riverside, C	California.
28	\\\				

Judge Bernal hears motions in civil cases on Mondays at 9:00 a.m. The cut-off date for hearing motions is the last day on which motions will be heard, i.e., the motion must be filed at least 28 days before the deadline in accordance with the requirements of Local Civil Rule 6–1. A copy of every motion related document filed must be delivered to the chambers drop box outside Courtroom 1 ("the mandatory chambers copy"). The cut-off date applies to all non-discovery motions except motions directly related to the conduct of trial, e.g., motions in limine and motions to sever parties or bifurcate issues for trial.

All motions in limine and other trial—related motions must be properly noticed for hearing no later than the date of the Final Pretrial Conference. **Each side is limited to five motions in limine**. Memoranda of Points and Authorities in support of or in opposition to motions in limine shall not exceed 10 pages. Replies will not be accepted. Motions shall not be compound, i.e., each motion shall address only one item of evidence or witness. If common grounds for exclusion or admission apply to multiple items of evidence or witnesses, each motion shall address only one category of evidence or witnesses. Motions in limine should not be disguised motions for summary adjudication of issues.

All parties and counsel must comply with Local Rule 7–16, which provides:

Any moving party who intends to withdraw the motion before the hearing date shall file and serve a withdrawal of the motion, not later than seven (7) days preceding the hearing. Any opposing party who no longer intends to oppose the motion, shall file and serve a withdrawal of the opposition, not later than seven (7) days preceding the hearing.

Failure to comply with this notification requirement may result in the imposition of sanctions on the offending counsel or party.

circumstances and for good cause shown.

Counsel shall initiate all discovery other than depositions at least *45 days* before the cut-off date. The Court will not approve stipulations between counsel which permit responses to be served after the cut-off date except in unusual

All depositions must be completed by the discovery cut-off deadline. Counsel shall lodge all original depositions that will be used in trial with the Courtroom Deputy Clerk on the first day of trial.

Counsel are expected to resolve discovery problems without the assistance of the Court. Discovery disputes have been referred to the United States Magistrate Judge assigned to this case. The discovery cut—off is the last date to complete discovery, including expert discovery. It is also the last day for hearing any discovery motion.

If not separately set forth above, the required expert disclosures shall be made *70 days* before the discovery cut-off date.

Settlement Procedures

Counsel must complete a settlement conference under the Court–Directed ADR Program (Local Rule 16–15.4) no later than the date set by the Court above. If the parties desire to participate in an ADR procedure other than that elected in the Rule 26(f) Scheduling Report and Order, they shall file a stipulation with the Court. This request will not necessarily be granted.

Counsel shall include in the proposed Pretrial Conference Order a status report detailing what procedure has been followed, and the status of settlement efforts. No case will proceed to trial unless all parties, including the principals of all corporate parties, have appeared personally at a settlement conference and

Case 5:25-cv-01444-JGB-DTB Document 23 Filed 10/23/25 Page 4 of 13 Page ID complied with Local Rule 16–15.5:136

If a settlement is reached, it shall be reported immediately to this Court as by Local Rule 16–15.7. In all cases set for jury trial, the parties must notify the Court, no later than the Wednesday preceding the Tuesday trial date, of any settlement, so that the necessary arrangements can be made to bring in a different case for trial or notify the members of the public who would otherwise be reporting for jury duty that their services are not needed that date.

Failure to comply with this notification requirement may result in the imposition of sanctions on counsel for one or more parties, or their clients, or both.

Final Pretrial Conference

The Court will conduct a Final Pretrial Conference pursuant to Federal Rule of Civil Procedure 16 and Local Rule 16–1 on the date and time listed above. Each party appearing in this action shall be represented at the Final Pretrial Conference and at all pretrial meetings by the lead trial counsel. Counsel should be prepared to discuss streamlining the trial, including presentation of testimony by deposition excerpts, time limits, stipulations as to undisputed facts, and qualification of experts by admitted resumes. In rare cases where the Pretrial Conference is waived by the Court, counsel must follow Local Rule 16–11. This Court does not exempt *pro per* parties from the requirements of Local Rule 16.

Matters to be Discussed at the Final Pretrial Conference

Counsel shall be prepared to discuss the following matters with the Court at the Pretrial Conference:

Case 5:25-cv-01444-JGB-DTB Document 23 Filed 10/23/25 Page 5 of 13 Page ID the witnesses all parties intend to call during their respective cases, 2 and the amount of time necessary for direct and cross examination of 3 each witness; any anticipated problems in scheduling witnesses; 4 5 any evidentiary issues, including anticipated objections under Rule 403, 6 and objections to exhibits; 7 jury selection procedures; 8 all pretrial motions, including motions in limine, to bifurcate and to 9 sever; 10 any disputed jury instructions, and the form of the instructions which 11 will be given to the jury at the outset of the case, i.e., before opening statements and presentation of evidence; 12 13 whether any counsel intends to use any evidence or demonstrative 14 aid in opening statement; and 15 motions to exclude witnesses from the courtroom during trial testimony. 16 If counsel for any party need to arrange for the installation of their own 17 equipment, such as video monitors, notebooks, or overhead projectors, counsel shall notify the Courtroom Deputy Clerk no later than 4:00 p.m. two days before 18 *trial* so that the necessary arrangements can be made. 19 20 21 **Pretrial Filings** 22 23 Counsel shall submit carefully prepared Memoranda of Contentions of Fact and Law (which may also serve as the trial briefs) and proposed Pretrial 24 Conference Orders in accordance with the provisions of Local Rules 16–4 through 25 16–7. The form of the proposed Pretrial Conference Order shall be in conformity 26 with the form set forth in Appendix A to the Local Rules. 27 The filing schedule for pretrial documents is as follows:

Exhibit and Witness Lists

Counsel are to prepare their exhibits by placing them in 3–ring binders that are tabbed down the right side with exhibit numbers. The spine portion of the binder shall indicate the volume number and contain an index of each exhibit including in the volume. The binders are to be prepared with an original for the Courtroom Deputy Clerk, which shall be tagged with the appropriate exhibit tags in the upper right hand corner of the first page of each exhibit, and one copy for Court ("bench book"). Each binder shall contain an index of the included exhibits. The exhibits are to be numbered in accordance with Local Rule 26–3.

The Court requires the following to be submitted to the Courtroom Deputy Clerk on the first day of trial:

A. The original exhibits with the Court's exhibit tags. The parties shall use yellow tags for plaintiff and blue tags for defendant, which shall be stapled to the front of the exhibit on the upper right corner with the case number, case name, and exhibit number placed on each tag. Counsel can obtain exhibit tags at the Clerk's Office, Room 134, 1st Floor, 3470 Twelfth Street, Riverside.

B. One bench book with a copy of each exhibit for use by the Court, tabbed with numbers as described above. (Court's exhibit tags not necessary.)

C. Three copies of exhibit index.

The exhibit index shall be in the following form:

shall exchange proposed jury instructions and special verdict forms (if applicable), *Seven calendar days* prior to the Rule 16–2 meeting, counsel shall exchange any objections to the instructions and special verdict forms. Prior to or at the time of the Rule 16–2 meeting, counsel shall meet and confer with the goal of reaching agreement as to one set of joint, undisputed jury instructions and one special verdict form.

The parties shall file proposed jury instructions *fourteen calendar days* before the Final Pretrial Conference. As always, the parties must submit mandatory chamber copies to the Court. In addition, the parties must submit electronic versions (either Word or WordPerfect format) to the Court at the following e-mail address: JGB_Chambers@cacd.uscourts.gov.

As noted above, the parties must act jointly to submit proposed jury instructions. The parties must submit one set of agreed upon jury instructions. At the same time, the parties must submit another set of jury instructions containing the instructions upon which the parties disagree and the objections to those instructions. Where the parties disagree on an instruction, the party opposing the instruction must attach a short (i.e., one to two paragraphs) statement supporting the objection and the party submitting the instruction must attach a short statement supporting the instruction. Each statement should be on a separate page and should follow directly after the disputed instruction.

Accordingly, the parties ultimately will submit one document or, if the parties disagree over any proposed jury instructions, two documents. If the parties submit two documents, those documents should consist of: (1) a set of agreed upon jury instructions and (2) a set of disputed jury instructions along with reasons supporting and opposing each disputed instruction.

Where the *Manual of Model Civil Jury Instructions for the Ninth Circuit* (2007 edition) provides a version of a requested instruction, the parties should submit the Model instruction. Where California law applies, the Court prefers

Each requested instruction shall (a) cite the authority or source 4 5 of the instruction, (b) be set forth in full, (c) be on a separate page, (d) be 6 numbered, (e) cover only one subject or principle of law, and (f) not repeat 7 principles of law contained in any other requested instruction. 8 The Court will send a copy of the jury instructions into the jury room for 9 use by the jury during deliberations. Accordingly, in addition to the file copies 10 described above, the parties shall file with the Courtroom Deputy Clerk and 11 shall email to chambers on the first day of the trial a "clean set" of joint and/or proposed jury instructions that contain only the text of each instruction set forth 12 13 in full on each page, with the caption "Court's Instruction Number _____" 14 (eliminating titles, supporting authority, indication of party proposing, etc.). This will be referred to as the "Jury Copy" of the jury instructions. 15 An index page shall accompany all jury instructions submitted. The index 16 page shall indicate the following: 17 The number of the instruction; 18 A brief title of the instruction; 19 The source of the instruction and any relevant case citations; and 20 The page number of the instruction. 21 **EXAMPLE:** 22 23 Number Title Source Page Burden of Proof 9th Cir. 12.02 24 25
